

Health and Safety Training Standards in Design and Technology

Registered Design and Technology Health and Safety Consultant

This certificate confirms that

Graham Swindley

Registration No: 579

has been appointed as a Registered Design and Technology

Health and Safety Consultant:

The registration date is valid until 01/09/2021

SCHS - Secondary Core Health and Safety
SSHS - Secondary System and Control Health and Safety

SMHS - Secondary Materials

S1HS – Woodworking Machines
S2HS – Centre Lathe
S3HS – Casting Non-Ferrous Metals
S4HS – Metal Arc Welding
S5HS – Oxy-Acetylene Welding and Cutting
S6HS – Milling and Machining Centres
S7HS – Wood Turning Lathe
S8HS - Planer/Thicknesser Machines
S9HS – Portable Power Tools
S10HS – Grinding and Sharpening
S12HS – Technicians - essential knowledge, skills and understanding

Tony Ryan, Chief Executive, D&T Association

The Health and Safety Training Standards in Design and Technology are published by
the Design and Technology Association.
